

Questions about Patient and Public Involvement in Research?

Come along to one of our **drop-in sessions** for Patient and Public Involvement (PPI) in Research. PPI leads from Birmingham BRC, CLAHRC WM, SRMRC and UHB will be on hand to answer any queries you have about how and when best to involve patients and members of the public in your work. There is no need to book, just turn up.

ITM Café (Heritage Building, QE site)		Café (Centre for Collaborative Learning, UoB site)
